Apprenticeship Training Series with NEW Apprentice Training DVDs

The Apprenticeship Training Series is a federally approved training course for fire sprinkler fitters. This practical training program, written from a contractor's point of view, now comes with Apprentice Training DVDs. These DVD programs are designed to provide additional audio/visual instruction that reinforces skills learned in the Contren® Learning Series (formerly Wheels of Learning). (Also available in CD-ROM by special request.) Be sure to specify the book level when ordering.

Online Testing Only: AFSA Member Price: \$300 Non-Member Price: \$500 **Require Proctor Password**
Paper Testing Option: AFSA Member Price: \$350 Non-Member Price: \$550

Designer Series Correspondence Course

The Applied Sprinkler Technology Series – Book I, II, III is an update of the AFSA Sprinkler Designer Correspondence Course that trains designers on all aspects of fire sprinkler technology and design. Be sure to specify the book level when ordering.

Online Testing Only: AFSA Member Price: \$250 Non-Member Price: \$450 **Require Proctor Password**
Paper Testing Option: AFSA Member Price: \$300 Non-Member Price: \$500

Foremanship Training for Fire Sprinkler Fitters

This 24-lesson course guides the new foreman through supervision of a fire sprinkler installation project and the other employees working that job. It also includes more than 40 pages of sample forms necessary to help manage a project.

Online Testing Only: AFSA Member Price: \$300 Non-Member Price: \$500 **Require Proctor Password**
Paper Testing Option: AFSA Member Price: \$350 Non-Member Price: \$550

IMPORTANT NOTE: Check the box if you require a Proctor Authorization Password to be entered before your student can access online tests. This password is given to the Company Training Coordinator only and prevents the student from taking online tests without proctor permission.

Study Guide for NICET Certification on Inspection & Testing of Water-Based Systems

This course is designed to help the student identify and use the reference materials necessary to pass the various written test elements in the process of achieving this new level of NICET certification. However, AFSA makes no implied or express warranty that studying this guide and/or passing the practice exams will ensure passage of the related NICET test elements or certification by NICET. All practice examinations are to be taken online, therefore student must have a computer with Internet access and email account.

AFSA Member Price: \$300 Non-Member Price: \$500

(Prices listed are for each level)
