Description
Sprinkler Age, the official publication of the American Fire Sprinkler Association, is distributed the second week of the month of the publication. The printed copy and digital copy are both distributed the first week of the month of publication.

Terms and Commissions
• Rates effective January 1, 2023.
• Terms: Payment due upon receipt.
• The publisher reserves the right to hold the advertiser and/or its advertising agency jointly liable for payment due, and for any collection fees that result from collection of a delinquent payment.
• A first-time advertiser in Sprinkler Age that is not an AFSA member must pre-pay the first ad and provide credit references in order to establish credit. Based on payment history, subsequent ads will be billed in the regular monthly billing cycle.
• A 15 percent AFSA member discount applies to space, color and position charges only. To qualify for the AFSA member discount, the ad must be provided print-ready as specified by the electronic file requirements, and must include all corrections and/or changes.
• The earned advertising rate is based on the total number of full and fractional advertising units used in Sprinkler Age within a 12-month contract period beginning with the month of the first insertion. In cases where the advertising contract rolls over into the following year, the new rate (if any) will become effective January 1 unless the majority of the contract’s insertions were placed in the previous year.

• All verbal instructions must be confirmed with Sprinkler Age in writing by email within five days. Contracts may be canceled on 30 days written notice only. Individual insertion orders may not be canceled after the closing date.
• On contracts not completed, the earned rate at time of cancellation will apply.
• If no insertion order instructions are received from the contract advertiser by an issue’s deadline, the most recent ad will be used for that issue.
• The publisher reserves the right to cancel scheduled advertising and apply the earned rate to ads published in cases where overdue payments exceed 90 days.
• Publisher reserves the right to charge up to 2 percent per month interest on invoices over 30 days past due.
• The advertiser represents and warrants that advertising is not false or misleading, does not contain any untrue, defamatory, harmful, abusive, vulgar or obscene materials, is in compliance with all applicable laws, does not infringe upon the rights of any other party, including but not limited to copyrights, trademarks, privacy rights, moral rights, trade secrets, patents and other rights. Send Emails to AFSA Contacts

Want to send a customized email blast to thousands of AFSA members and contacts? We have made that possible with our Sponsored Emails! These emails are endlessly customizable for the advertiser. Send AFSA the HTML for an existing email to have it exactly tailored to your specifications. HTML code must be under 600 px wide, and all resources must be listed within coding. HTML code cannot reference another directory for the css or js, must be inline within the HTML file, and must link to a working hosted url. Then select the desired audience to best fit the message! The blast can be to all contacts nationwide. It’s also possible to target just contractors, AHJs, and more. Customization can be tailored as specifically as contractors in just one geographical region or as broad as all members and prospects. Just send us the content and the desired audience and we will handle the rest!
